A text version of the message is not available. Please refer to TEXT.htm.

I am including the policies I plan to submit to the administration. The one for LPRs, I modified a little from the one Long Beach uses and I modified that one to create the one for facial recognition.

Please let me know if you think anything needs to be changed, added or deleted. I will send it up the chain on Monday.

If you can think of other definitions that need to be included, let me know.

Marian
